Dear \_\_\_\_\_:

On behalf of the OSB Diversity Section, I invite your organization to participate in the 2021 Convocation on Equality. For the past two decades, the OSB Diversity Section has worked to increase diversity in our profession, provide opportunities to receive diversity training and education, and support diversity and inclusion efforts by legal employers. Every ten years, we come together to build community and plan for the future.

We have begun planning for the third Convocation on Equality, which will be held virtually on November 5, 2021. The theme of this year's Convocation is Charting the Way Forward. While we will miss the opportunity to meet in person, we hope that the digital format will allow us to effectively use our time together and create the potential for greater access to conference programming throughout the state. We are working with stakeholders to identify the objectives of the 2021 Convocation that will continue to promote and encourage diversity and inclusion in the legal profession. As a supporter of past Convocations, we hope you will share with us your ideas for how we can make this year's event valuable to you and the legal community.

As a supporter of past Convocations, we know your organization is committed to building a more diverse and inclusive legal profession. We hope your organization will join our efforts by agreeing to sponsor the 2021 Convocation on Equality. There are many ways to show your support of the Convocation this year. We are offering the following sponsorship levels:

**Platinum (\$3,000):** Platinum sponsors will be featured on the Convocation website. Platinum sponsors will also be featured throughout the virtual program on a rotating ad banner that will run throughout the program. Platinum sponsors will be offered the opportunity to be highlighted in a virtual sponsor booth to interact with Convocation attendees or the option to submit a short video
